

ORDERING

We are happy to supply order charts if required.
Please see Sizing on individual styles.
All of our fabric supports can be made to bespoke measurements.

HANDZON

This support can be made longer at the back, with or without steels and can have a pad added for extra support. The front cannot be made longer.

MODEL H

This support can be made to bespoke measurements within reason. Straps can be added at the sides to help pulling the support on. The thigh area can be curved for comfort.

BUCHANAN TEMPORARY SUPPORT

Can be made to bespoke measurements i.e. Can be made to a wider circumference on request.

BUCHANAN STOMA SUPPORT

Can be made to bespoke measurements i.e. Can be made to a wider circumference on request.
